Authorizing Resolution
Projects with Acquisition – Recreation

Organization Name: **Port of Kingston**

Resolution No. **04-01-2014**

Project Name(s): **25882 Washington Blvd. Park Development**

This is a resolution that authorizes submitting application(s) to grant funding assistance for Washington Wildlife and Recreation Program project(s) to the Recreation and Conservation Office as provided in Chapter 79A, 15 RCW, Acquisition of habitat conservation and outdoor recreation lands, WAC 286 and subsequent Legislative action.

WHEREAS, our organization has approved a comprehensive parks and recreation or habitat conservation plan that includes this project; and

WHEREAS, under the provisions of the Washington Wildlife and Recreation Program (WWRP), state grant assistance is requested to aid in the financing of land acquisition and facility development; and

WHEREAS, our organization considers it in the public best interest to complete the project described in the application(s);

NOW, THEREFORE BE IT RESOLVED that:

1. The Port Manager is authorized to make formal application to the Recreation and Conservation Office for grant assistance;
2. Any grant assistance received will be used for direct costs associated with implementation of the project referenced above;
3. Our organization hereby certifies that our matching share of project funding will be derived from Waiver of Retroactivity Approval RCO Waiver # 13-28, and Port Funds and that we are responsible for supporting all non-cash commitments to this project should they not materialize.
4. We acknowledge that the grant assistance, if approved, will be paid on a reimbursement basis, meaning we will only request payment from the Recreation Conservation Office after eligible and allowable costs have been incurred and payment remitted to our vendors, and that the Recreation and Conservation Office will hold retainage until the project is deemed complete.
5. We acknowledge that any property acquired and/or facility developed through grant assistance from the Recreation Conservation Funding Board must be reasonably maintained and made available to the general public at reasonable hours and times of the year according to the type of area or facility unless other restrictions have been agreed to by the Recreation and Conservation Office director or the Recreation and Conservation Funding Board.
6. We acknowledge that any property acquired and/or facility developed with grant assistance from the Recreation and Conservation Funding Board must be dedicated for public outdoor recreation purposes, and be retained and maintained for such use for perpetuity unless otherwise provided and agreed to by our organization and the Recreation and Conservation Funding Board.
7. We acknowledge that any property acquired using Recreation and Conservation Funding Board assistance must be developed within five years of the acquisition closing.

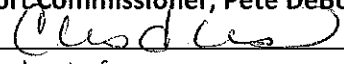

8. This resolution becomes part of a formal application to the Recreation and Conservation Office for grant assistance; and
9. We provided appropriate opportunity for public comment on this application.
