

ADDENDA #1

Port of Kingston

Washington Boulevard Park

- Bid Bond for this project is 5% of total cost of the project not 10% as previously stated.
- Plans for pavers has been changed to allow for exposed aggregate in Community Plaza areas. Stairs and disability accessible ramps should not have the exposed aggregate. Plain concrete to spec. should be used on those areas.
- For the purpose of this bid all bidders should use an amount of \$20,000 for electrical distribution. This is only for distribution and not fixtures. Plans and specs for this network are still being developed.
