Redistricting!

Port districts are required by law to redistrict every 10 years. This period aligns with the US Census to determine populations. RCW 29A.76.010 requires that the redistricting plan meet the following criteria.

- Each commissioner district must be as nearly equal in population as possible to each and every other such district comprising the municipal corporation, county, or special purpose district.
- Each district must be as compact as possible.
- Each district must consist of geographically contiguous areas.
- Population data may not be used for purposes of favoring or disfavoring any racial group or political party.
- To the extent feasible, the district boundaries shall coincide with existing recognized natural boundaries and must, to the extent possible, preserve existing communities of related and mutual interest.
- Ports should also consider the requirements of the federal Voting Rights Act of 1965 which prohibit the formation of districts which deny minority voters an equal opportunity & "to participate in the political process and to elect representatives of their choice."

Redistricting described here does not affect a sitting commissioner's term of office. Sitting commissioners finish out their terms of office even if redistricting results in them be ineligible to run in that commission district again.

Port commissioners must reside in their district when they run and are elected to office. Redistricting could result in a commissioner living outside their district making them ineligible to run again in that district. However, they CAN finish out their term once elected.

RCW 29A.76, the results of redistricting are then submitted to County Auditor to conclude the process.

The Port of Kingston District No. 9 consists of three (3) districts and each district has an elected commissioner to represent that respective district.

The port district has a total number of port district residents numbering 6,941 in population.

District 1	2,321
District 2	2,317
<u>District 3</u>	<u>2,303</u>
Total	6,941

Port Commissioners:
 District 1 - Steve Heacock
 District 2 - Mary McClure
 District 3 - Laura Gronnvoll

When are the next elections?

District 1	2026
District 2	2027
District 3	2023

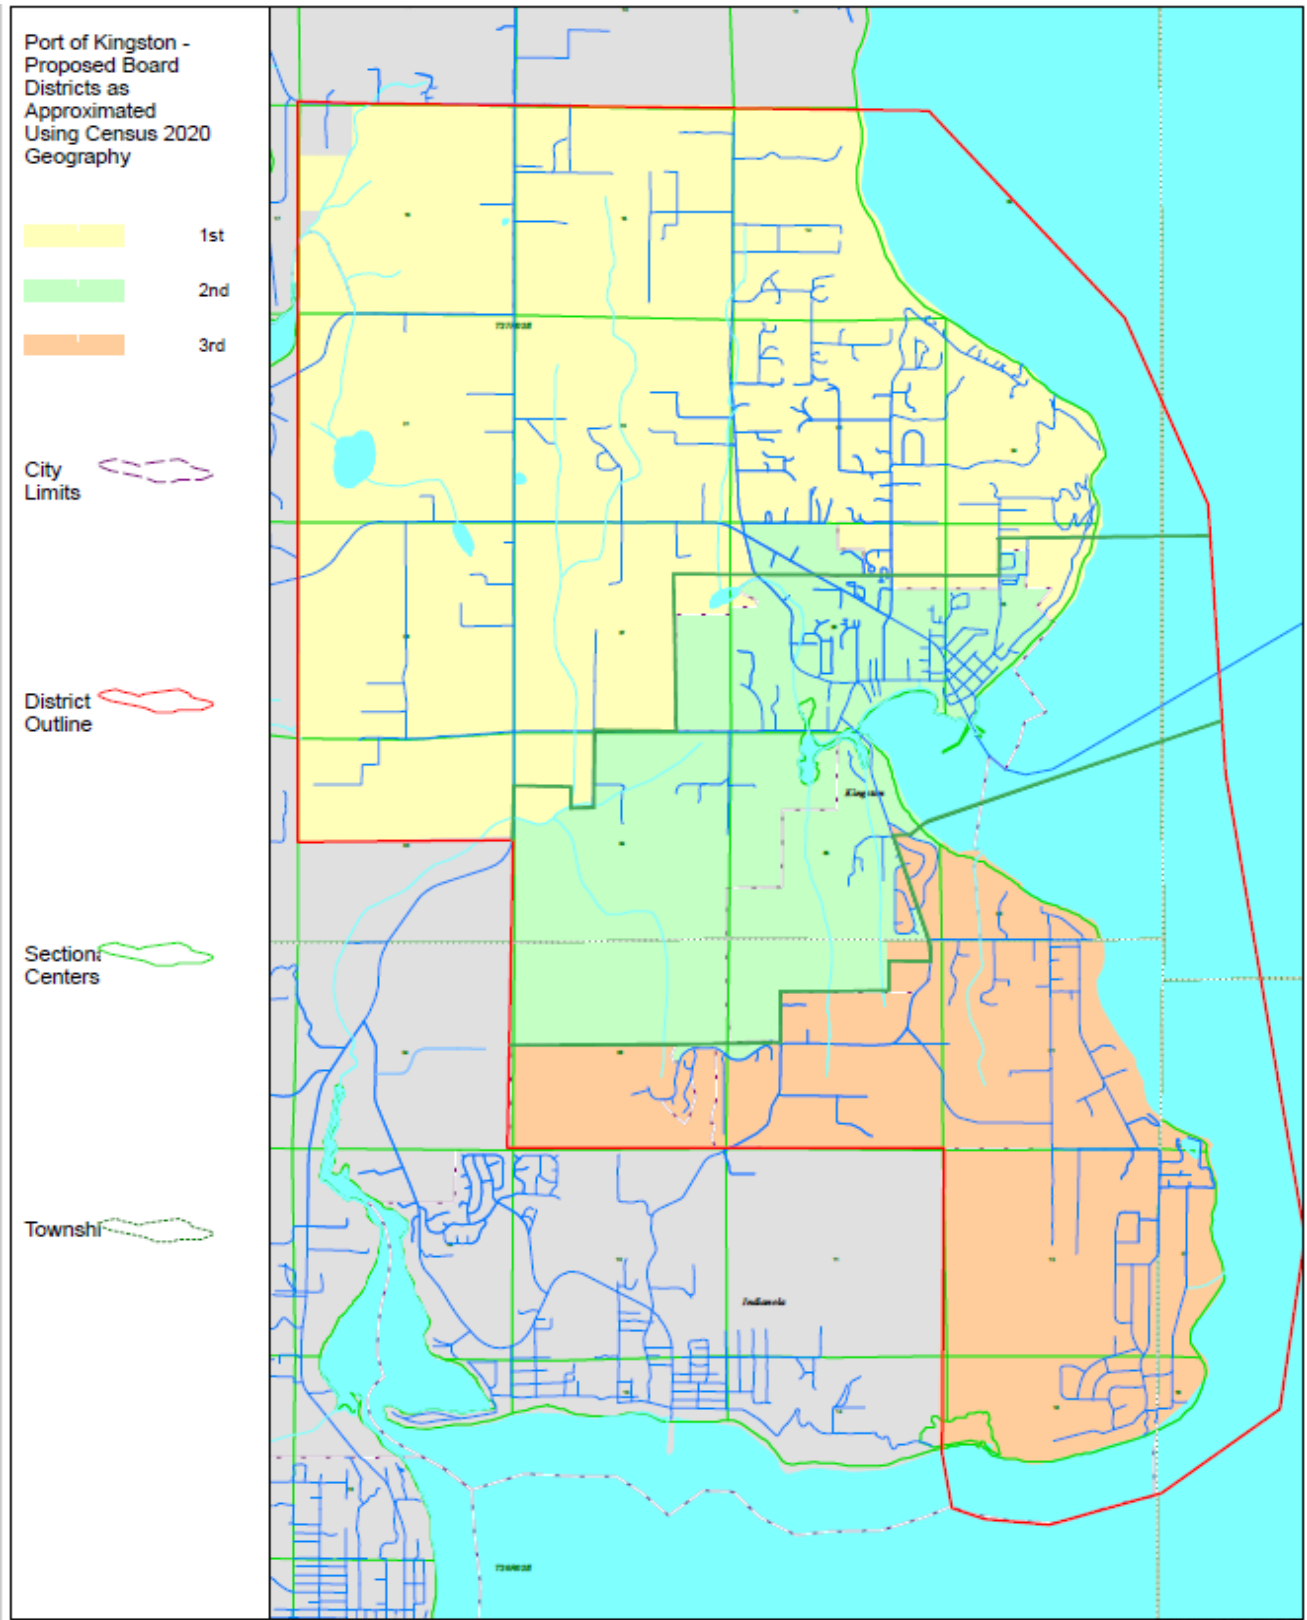

Commissioners are elected to six (6) terms. There are 12 port districts in Kitsap County and 75 port districts in the State of Washington. However, there are only
