Community Meetings

We are incredibly grateful for the impressive turnout at the Commercial Development meetings on April 19th and 27th, as they resulted in valuable dialogue. It was amazing to hear everyone's insights and ideas for this project. There is still much work to be done to reach the ultimate design, so we invite everyone to keep the ideas coming. Special thanks go to the dedicated members of our community for generously devoting their time and perspectives. We are truly thankful for your contributions and ongoing commitment and support to this amazing village. We can't wait to share what comes next, so keep your eyes peeled for more information soon! Comments and questions will be posted to our website soon.
