#### 6. ACTION ITEMS

## A. APPROVE - RESOLUTION NO. 2024-11-26-01 Approve Purchase of Materials and Installation for Fuel and Stormwater Systems

Commissioner Heacock read the resolution into record.

Executive Director (ED), Greg Englin, stated as part of the development of the restroom the stormwater and fuel system needed to be re-routed and upgraded at the new location. Staff along with our Port Engineer, Marc Horton, and consultants developed a plan so the Port can access both the stormwater system and upgrade the fuel system. Staff previously requested \$67,000 and now are seeking an additional \$101,000 to install and reroute both the stormwater and fuel system. We will be following up with a request to purchase the restroom in the near future. We have received some inquiries regarding parking and how that may be affected. We expect to lose 1 parking stall and a result of the siting of the new restroom.

We are anticipating the delivery and installation to occur before the end of May of next year.

Commissioner Gronnvoll asked for additional details regarding the difference between the original request of \$67,000 and the \$101,000.

ED Englin explained the fuel system needed to be upgraded as it was out of compliance. It was also an opportunity to review the existing stormwater system during the fuel system installation. These upgrades make both systems more accessible to staff.

Commissioner McClure asked if the money has already been spent. ED Englin stated that it has. Commissioner McClure asked if there was an earlier opportunity to brief the commission on this. ED Englin stated the Commission was briefed on the original \$67,000; however, at that time the total cost was unknown. Once the fuel system was opened up, we discovered it was out of compliance and needed to be replaced.

Motion to approve

Moved: Commissioner McClure Second: Commissioner Heacock

Vote: 3-0

## B. APPROVE - RESOLUTION NO. 2024-11-26-02 APPROVE CONTRIBUTION TO PACIFIC NORTHWEST WATERWAYS ASSOCIATION (PNWA) TO SUPPORT AMICUS BRIEF

Commissioner McClure read the resolution into record.

ED, Greg Englin, explained that staff is requesting Commission approval to help fund the draft and submittal of an amicus brief through Pacific Northwest Waterways Association in support of the Skagit County Dike, Drainage and Irrigation Improvement District No. 12. Staff believe that there is no other path forward than supporting legal action as a last resort to challenge National Marine Fisheries Services' jeopardy biological opinion, the underlying assumptions made, environmental baseline, and science used to reach the jeopardy call and exorbitant mitigation requirements. ED Englin stated that he has never professionally recommended legal action during his career. However, he does not see a path forward for the Port to be able to repair and replace the in-water assets without a reasonable approach from federal regulatory agencies.

Commissioner McClure expressed her full support for the contribution but raised concerns about the requested amount of \$10,000. She suggested considering a smaller contribution and requested information on contributions from other area ports.

Executive Director Englin explained that the issue primarily impacts ports within the Puget Sound region. He noted that not all ports are even aware of these issues, as the matter does not directly affect some of them. Some of these ports are not members of the Pacific Northwest Waterways Association and are unable to contribute. ED Englin stated he would contact other ports to discuss the amicus brief and encourage their contributions.

Commissioner Heacock advocated for contributing the full \$10,000, emphasizing the importance of making a strong statement and demonstrating the Port of Kingston's commitment to the issue.

Commissioner Gronnvoll also voiced strong support for the full \$10,000 contribution.

After discussion, all commissioners agreed to amend the resolution to authorize a contribution of "up to \$10,000".

Motion to approve as amended Moved: Commissioner McClure Second: Commissioner Heacock

Vote: 3-0

#### 7. DISCUSSION

- A. Staff is seeking formal approval from the commission to access port issued emails of the commissioners when needed. We have received verbal approval in the past and would like to confirm this approval in writing. The rationale behind this request is to ensure compliance with the Public Records Act. Recently, ports are being subject of targeted efforts using public records requests. These targeted efforts have been successful, and staff want to bring awareness to the port commission of this concern and if needed take action to avoid or limit damages. Staff will bring forward a resolution for commission approval at the December meeting.
- B. KCAC and Kitsap county agencies have sunset using Zoom or other remote meeting options and only having meetings in person. Commissioner McClure asked for further discussion before making a decision. We will include this topic on the next Work Session agenda.
- C. Commissioner McClure asked about a memorial policy. We will include this topic on the next Work Session agenda as well.

Commissioner McClure stated that she spoke with Eric Baker asking for information about the designation in the Puget Sound Regional Council's Plan of being a transportation hub. Would that be of interest to the Commission and ED Englin for the county to present what that designation means and what the implications are?

Commissioner Gronnvoll and Commissioner Heacock said that it would.

Commissioner McClure will follow up with Eric Baker.

ED Englin stated the need to spend some of the cash reserves on the fire suppression system and capital requirements. We are working with the Port of Friday Harbor to get the floats manufactured.

#### 10. STAFF REPORT

ED Englin shared an update on the bidding process of the restroom project. The bids started at \$645K to \$1.1M and all bids were rejected. We met with the low bidder to understand where the amount came from. The cost for plumbing, electrical, and often times HVAC for public, commercial projects has increased dramatically, and not so much on residential. We do not have the permit yet. We reached out to more firms and are in the process of negotiating.

## RESCIND RESOLUTION 2022-12-14-05 AND APPROVE RESOLUTION 2024-12-18-02 GOVERNING PROMOTIONAL HOSTING EXPENDITURES

**WHEREAS:** Article VIII, Section 8 of the State Constitution RCW 53.36.120, 130, 140, and 150 set specific rules and regulations governing the expenditures for industrial development, trade promotion or promotional hosting of port districts; and

**WHEREAS:** the voters of the State of Washington in November 1966, authorized port districts to make expenditures for trade and other promotion; and

**WHEREAS:** the office of the State Auditor issued bulletin number 404 on August 20, 1986, establishing promotional hosting guidelines; and

**WHEREAS:** industrial and trade promotion by the Port of Kingston is found and determined to be of benefit to the businesses and citizens of the Port of Kingston; and

NOW, THEREFORE BE IT HEREBY RESOLVED by the Port Commission of the Port Kingston that:

- 1. As suggested in the Office of the State Auditor Bulletin #404: "the basic standard for promotional hosting at public expense is that the promotional hosting is calculated to result in the public purpose, declared by the Washington State Constitution, of promoting industrial development or trade within the district. Exceptions will be taken to any hosting where its possible influence on industrial development or trade promotion is so indirect or tenuous that the hosting expenditures appear to be hosting for the sake of hosting".
- 2. Promotional Hosting means furnishing customary meals, refreshments, lodging, transportation, or any combination of those items in connection with:
  - a. Business meetings,
  - b. Social gatherings,
  - Ceremonies honoring persons or events relating to the authorized business promotional activities of a port.

Hosting may also include reasonable and customary entertainment and souvenirs of nominal value, all incidental to such events.

- 3. The office of the Auditor issued bulletin number 404 on August 20, 1986, setting forth general guidelines for the hosting of:
  - a. Private businesspeople,
  - b. Union officials,

  - e. Washington State and local government officials and employees,
  - f. Officers and employees of other port districts,

These guidelines are attached to this resolution to provide guidance to all persons authorized to make expenditures for promotional hosting.

- 4. The Port Commissioners and the Executive Director shall be authorized to make expenditures for promotional hosting subject to specific and general conditions hereafter set forth:
  - a. Funds for promotional hosting expenditures shall be expended only from gross operating revenues and shall not exceed one percent thereof upon the first two million five hundred thousand dollars of such gross operating revenues, one-half of one percent upon the next two million five hundred thousand dollars of such gross operating revenues, and on-fourth of one percent on the excess over five million dollars of such operating revenues: PROVIDED, HOWEVER, That in no case shall these limitations restrict a port district to less than twenty-five hundred dollars per year from any funds available to the port, per RCW 53.36.130.

Total Gross Operating Revenues	\$3,606,457
1% of the 1st \$2,500,000	25,000

Promotional Hosting Limit	\$ 30,532

- b. Port commissioners shall not personally make hosting expenditures, or seek reimbursement therefore, except where specific authorization of such expenditures was approved in advance by the port commission, per RCW 53. 36.140.
- 5. The Port Commissioners, officials and employees authorized to make expenditures for promotional hosting shall be reimbursed subject to the following:
  - In filing claims for reimbursement, an official form approved by the Division of Municipal Corporation of the State Auditor shall be used, as approved by the Port Auditor.

A Resolution of the Commission of the Port of Kingston

## RESOLUTION AUTHORIZING STAFF PERFORMING PUBLIC RECORDS FUNCTIONS TO ACCESS PORT COMMISSIONERS' E-MAILS

**WHEREAS**, it is recognized that correspondence sent or received by Port of Kingston Commissioners via e-mail and relating to Port business constitutes a public record; and

**WHEREAS**, from time to time, the Port receives a Public Records Act request which requires the production of correspondence between Port Commissioners and third parties; and

WHEREAS, such correspondence generally takes the form of e-mails or text messages; and

**WHEREAS**, for Port-related business, the Commissioners are encouraged to utilize their respective Port of Kingston e-mail account and Port issued cell phones so that texts and e-mails can be easily located and appropriately retained according to State of Washington Records Retention guidelines, thereby enhancing the Port's customer service function of providing prompt responses to Public Records Requests; and

**WHEREAS**, in those cases where a Commissioner is unable to use the Port of Kingston e-mail account for Port related business, the Commissioner is encouraged to send a carbon copy of any correspondence residing on an external e-mail account to the Commissioner's Port of Kingston e-mail account to fulfill the purposes described above; and

**WHEREAS**, in those cases where a Commissioner is unable to use the Port issued cell phone to send a text message or where the Commissioner receives Port related text messages on their personal cell phone, the Commissioner is encouraged to send a copy of such text messages to the Port's Public Records Officer to fulfill the purposes described above; and

**WHEREAS**, the Commission wishes to authorize access to Commissioner e-mails when necessary and appropriate to promptly fulfill the Port's duties under the Public Records Act.

**THEREFORE, BE IT RESOLVED** by the Board of Commissioners for the Port of Kingston as follows:

 The Public Records Officer or their designee are authorized to access Commissioner e-mails as necessary and appropriate for the purpose of locating responsive records to Public Records Act requests.

- 2. In addition to the foregoing, individual commissioners may authorize staff to monitor their emails to ensure that the Port captures any public records request that may have been sent directly to a commissioner.
- 3. In the event that the Public Records Officer or staff member, in performing the above functions, encounters an attorney-client privileged record or other sensitive document that may not be appropriate for them to view, the staff member shall notify the Executive Director or a commissioner for further direction before reviewing the record.

A Resolution of the Commission of the Port of Kingston

#### RESOLUTION TO RESCIND RESOLUTION 2020-03-02 DECLARATION OF LOCAL EMERGENCY

**WHEREAS**, the Port of Kingston Commissioners previously adopted a proclamation declaring a local emergency due to the COVID-19 outbreak in response to guidance from the Kitsap County Health District, the Centers for Disease Control (CDC), and the Governor of the State of Washington; and

**WHEREAS**, the proclamation, adopted under Resolution No. 2020-03-02, cited the severity of the COVID-19 pandemic and the necessity to enact emergency plans to protect public health, safety, and welfare; and

**WHEREAS**, the State of Washington and other governing authorities have ended or scaled back emergency declarations and related measures; and

**WHEREAS**, the conditions that warranted the proclamation of a local emergency no longer exist, and the continuation of emergency operations is no longer necessary;

THEREFORE, BE IT RESOLVED by the Commissioners of the Port of Kingston as follows:

- 1. The local emergency declaration adopted under Resolution No. 2020-03-02 is hereby rescinded.
- 2. Emergency operations related to the COVID-19 pandemic are no longer in effect, and all resources and operations previously dedicated to this emergency shall be returned to normal operational status.

A Resolution of the Commission of the Port of Kingston

#### REGARDING LIVE-STREAMING OF BOARD OF COMMISSION MEETINGS

**WHEREAS**, the Port of Kingston initiated live-streaming of its Board of Commission meetings following the onset of COVID-19; and

**WHEREAS**, the Commission finds that, as restrictions on in-person meetings have been lifted, members of the public have marginally utilized live-streaming of Commission meetings; and

**WHEREAS**, the Commission has observed that members of the public who want to attend a Board of Commission meeting generally attend in person and that the meeting spaces utilized by the Port for meetings have been adequate for the number of people in attendance; and

**WHEREAS**, the cost and administrative effort involved in live-streaming every Commission meeting is not justified by the under-utilization of such offering; and

**WHEREAS**, the Commission recognizes that the topics to be discussed at certain meetings may justify live-streaming and, thus, the Commission desires to reserve the right to live-stream a meeting on a case-by-case basis by vote of the majority of the Board.

THEREFORE, BE IT RESOLVED by the Board of Commissioners for the Port of Kingston as follows:

Board of Commission meetings will not be live-streamed except as may be determined
by the Commission on a case-by-case basis by a majority vote of the Board. If a meeting
is to be live-streamed, the notice of the meeting will contain a reference to how
members of the public may access the live-stream.

A Resolution of the Commission of the Port of Kingston

#### POLICY TO NON-ACCEPTANCE OF DONATIONS FOR MEMORIALS

**WHEREAS**, the Commission has recently held discussions about whether to pay for and/or accept donations for a memorial or other signage ("Memorial") to be placed on Port property in order to recognize the contributions of a certain individual either to the Port or the Kingston community; and

**WHEREAS**, the Commission has been advised by legal counsel for the Port that paying for such Memorials would be an inappropriate expenditure of public funds and would likely constitute a gift of public funds; and

**WHEREAS**, the Commission has researched how certain other agencies handle such requests for Memorials and has found that those agencies that allow Memorials ordinarily have a policy in place for donations to be accepted for the cost of the Memorial and for the agency to have control over placement, maintenance, replacement, and removal; and

**WHEREAS**, the Commission recognizes that if it were to accept donations for Memorials, best practices mandate that the Port adopt a policy so that it has a consistent approach to such requests and so that all members of the community would have an equal opportunity to have the Port consider a Memorial request; and

**WHEREAS**, the Commission recognizes the inherent potential for controversy over selection of individuals for such recognition; and

**WHEREAS**, the Port recognizes that any request for a Memorial would require background vetting in order for the Port to ensure that controversy over an individual would be minimized; and

**WHEREAS**, the Commission believes that the risk of controversy, negative media coverage, division within the community arising from decisions made regarding selection of individuals to be recognized, the cost to the Port, and the burden on staff are all factors that militate against adopting such a program; and

**WHEREAS**, the Commission sees little, if any, advantage to the Port or its constituents in adopting such a program; and

**WHEREAS**, the Commission finds that the discussion concerning Memorials has, to date, consumed a significant amount of valuable staff and Commission time; and

THEREFORE, BE IT RESOLVED by the Board of Commissioners for the Port of Kingston as follows:

1. The Port intends to comply with the law and, as such, will not use public funds to pay for Memorials to recognize certain individuals.

- 2. The Port will not accept donations from members of the public to install a Memorial on Port property to recognize certain individuals.
- 3. The Commission declines to adopt a policy or program to accept donations from members of the public to install a Memorial on Port property to recognize individuals.
